Area Lab II

Core Studio course for P G - Town Planning Students, APIED, Vallabh Vidyanagar

Under Graduate Level Courses/ Lectures

Urban History

Core theory course for Undergraduate Students of School of Architecture, CEPT

July 2004 till date

Architecture History: Artisinal Traditions

Core theory course for Undergraduate Students of School of Architecture, CEPT

December 2012

Professional Practice

Seminar based course at School of Architecture, CEPT

June 2003 till date

Studio IX

Core theory course for Undergraduate Students of School of Architecture, CEPT

December 2012

Studio VIII

Core theory course for Undergraduate Students of School of Architecture, CEPT

July 2012

Design Studio III

Core Studio course for Undergraduate Students of School of Architecture, CEPT

July 2004 till date

Specification and Contracts

Seminar based course at School of Architecture, CEPT

June 2003 till June 2012

Drawing & Painting I & II

Core course for Undergraduate Students of School of Architecture, CEPT

July 1996 till April 2000

Design Studio I

Core Studio course for Undergraduate Students of School of Architecture, CEPT
June 2003 till date

Design Studio I

Core Studio course for Undergraduate Students of School of Architecture, CEPT
July 2002 till November 2002

Design Studio II

Core Studio course for Undergraduate Students of School of Architecture, CEPT
December 2000 - April 2001

Design Studio IV

Core Studio course for Undergraduate Students of School of Architecture, CEPT
December 2003 - April 2004

History of Indian Architecture

Taught course for undergraduate architecture students, APIED, Vallabh Vidyanagar
July 1999 - December 1999

History of Western Architecture

Taught course for undergraduate architecture students, APIED, Vallabh Vidyanagar
December 1999 - March 2000

Basic Design - III & II

Studio course for undergraduate Architecture students, APIED, Vallabh Vidyanagar
July 1999 - December 1999
December 1999 - March 2000

Introduction to Urban Renewal & Environment Improvement

Guest Lecture at APIED, Vallabh Vidyanagar
October 2000

Architecture in Fragile Eco-systems of Himalayas

Guest Lecture at APIED, Vallabh Vidyanagar
October 2000

The lecture gave an overview of the settlement and building design characteristics in hilly areas and gave an introduction to the environmental and other planning issues related with the same

Role of computers for Architects and Planners

Guest Lectures at MCA Teachers Refreshers program. Dept. of Computer Science. S P University
Vallabh Vidyanagar, December 2001

The lecture was addressed to teachers imparting computer application knowledge to post graduate students.
