

Fujian as one of the major maritime centres worldwide was and still is an intersection of different cultures. Against the background of recent discoveries, we will discuss the maritime exchange and the popular cults of Fujian seen from outer and inner perspectives. A certain focus will be placed on the cults of Mani and Mazu.

福建作为全球海洋贸易的中心之一，过去和现在都是不同文化的交汇地。在新资料不断被发现并利用的背景下，我们将从内外不同视角讨论海路的文化经济交流和福建本土信仰。摩尼教和妈祖崇拜是本次研讨的中心议题之一。
